SPECIAL ANNOUNCEMENT

Please note the changes that have been made to the tournament schedule due to conflicts at the Savannah Yacht Club.

The general tournament committee has come up with some great tournaments with a tournament (TWT's) for this year....

Offshore Grander

Be the first boat to weigh in a Dolphin, Tuna and Wahoo with a documented catch of a Billfish in a General Tournament and you will be \$1000 richer. You have to enter before you catch your first fish. Cost is \$100/boat. (10 boat minimum)

Inshore Big Fish

It's time to find out who is the best inshore angler for 2010. Think you're the one? Well there's only one way to find out, pony up the one time fee of \$20/angler and enter your heaviest Red Fish and/or Trout during any General Tournament and you can win the pot. Payout will be 100% split between the Trout and Red.

Inshore Boat (\$20/Boat)

April 17th	Heaviest 5 Fish Aggregate (Max 2 Redfish)
August 28th	Door Mat throw down Heaviest Flounder
Oct 16th	3 Fish (1 of each Trout, Flounder, Red)

SSFC WEBSITE

The website has been updated with the latest dates for our tournaments and meetings. Please send in your fishing pictures for this year. Only pictures from the current year are placed on the front page.

SAVANNAH YACHT CLUB PRIVILEGES

As a reminder, the Sports Fishing Club is privileged in that the Savannah Yacht Club allows us to host many of our events on the grounds and also assists the club in many different areas with our tournaments. For those SSFC members who are not members of the Yacht Club, please remember that while on the property, you are a guest of the Sport Fishing Club and you should remain in the area that the SSFC club is using. If you go to another area, you need to be accompanied by a member of the Savannah Yacht Club as their guest.

Good Fishing,

Mic Sweeney
